

Giving Requirements

Thank you for your interest in Envista Credit Union and our charitable giving. We are dedicated to having a positive impact in the communities we serve, including working closely with charitable organizations who make a difference in our neighborhoods. Through our giving, Envista strives to lead, inspire and impact, because we know that it takes a village to raise a community.

Contributions or other financial assistance to community and charitable organizations will be made on a highly selective basis. Envista's Community Impact Committee reviews all donation and sponsorship requests submitted through our online application at envistacares.com on a monthly basis.

We find a way to help.

- Volunteers
- Financial Support
- Partnership
- Marketing

Exclusions.

Envista will not provide donations or sponsorships to any of the following:

- Activities, groups, or events not in an Envista branch community.
- Administrative expenses or expenses such as conference and travel.
- Political parties, candidates, or causes.
- Requests that benefit or fund a single individual's participation in an event or activity.
- Requests that benefit a team or club in an event or activity.

Envista will make every effort to process your request in a timely manner. A decision to deny a request does not imply that the applicant's program is not needed or worthy, but simply that it does not fall within our giving guidelines or priorities, or that funds are not available.
