

Giving Requirements

Envista Credit Union is dedicated to having a positive impact in the communities we serve, including working closely with charitable organizations who make a difference in our neighborhoods through financial education and community service.

Contributions or other financial assistance to community and charitable organizations will be made on a highly selective basis and only when duplication does not exist through other forms of participation. Envista reserves the right to consider each donation request on a case-by-case basis.

All charitable giving and corporate sponsorships must fall into one of the following categories:

- **Education:** programs and organizations that enhance the communities we serve through education, with specific interest in financial education.
- **Community Improvement and Service:** programs and organizations that enhance the communities we serve through non-profit service that seeks to improve and better specific groups, projects or populations.
- **Family Entertainment and Fine Arts:** programs and organizations that enhance the communities we serve by providing family-oriented entertainment events and venues and fine art performances.

Exclusions: Envista will not provide donations or sponsorships to any of the following:

- Activities, groups, or events not in an Envista branch community.
- Administrative expenses or expenses such as conference and travel.
- Political parties, candidates, or causes.
- Requests that benefit or fund a single individuals' participation in an event or activity.
- Request that benefit a team in an event or activity.

Envista will make every effort to process your request in a timely manner. A decision to deny a request does not imply that the applicant's program is not needed or worthy, but simply that it does not fall within our giving guidelines or priorities, or that funds are not available.
